605 Village Lake Ct., Spring Lake, NC 28390

Property News

Thank you to everyone who came out for the Holiday Party! We hope you all had a great time, we know we did! Village on the Lake is starting the 2014 year with a Facebook page. We will be posting games, helpful information, and resident activities.

A special thank you to all residents who have been making a special effort to keep the property clean. We have noticed less discarded cigarette butts and more dog waste being picked up. It takes great residents to make a great community!

Local Information

Looking for something to do during the weekends? Carvers Creek State Park in Spring Lake NC is a dog friendly hiking trail and Fishing pond. Visit the Rockefeller house and pavilion that over looks the millpond. They are open from 8:00-6:00 pm . If you would like more information please pick up a brochure at the office
