Mothers Day is just around the corner. Make sure you make mom feel extra special this year!

A Mother...

When you're a child she walks before you,
To set an example.

When you're a teenager she walks behind you

To be there should you need her.

When you're an adult she walks beside you
So that as two friends you can enjoy life together..

Noah's Art focuses on a process-oriented art experience. To aide in the development of each individual child's talents and abilities, our instructors lead students through the process of creating art, at the same time, we give instruction in the use of art supplies, tools, and methods. Children in our classes learn to have confidence in their own creativity. Village on the Lake Residents will have their registration fee waived!!!
